General Information

BANQUETS & EVENTS

MENU ARRANGEMENTS

Menu selections are requested a minimum of four weeks in advance. Our printed menu selections are recommended suggestions; however, we would be happy to tailor a menu to your specific tastes. With the exception of buffet meals, one menu is required for all guests. The Executive Chef will gladly accommodate a three-entrée selection, including a vegetarian option, for plated meals. The following will apply if you choose this option:

- An exact count of each entrée must be provided by noon a minimum of five (5) business days prior to your event date.
- If there is a price difference between entrées, the highest priced entrée will prevail for all entrees.
- Contact must provide one place card per guest indicating each guest's entrée selection.
- All additional courses must be the same for all guests.

GUARANTEE

A final guarantee of your anticipated number of guests is required by noon 5 business days prior to your banquet function and this guarantee may not be reduced. A minimum of 50 guests (or financial equivalent) is required when choosing a buffet, unless otherwise noted. A minimum of 20 guests is required for plated meals. The Hotel will prepare food based on the guarantee and seating for 3% over guarantee, not to exceed 20 guests. Charges will be based on the number guaranteed or the number served, whichever is greater.

PRICES

Catering prices will not be guaranteed earlier than four months prior to the scheduled event.

LABOR FEES

There will be a bartender fee of \$175.00 that will be waived if the minimum of \$400.00 per bartender is met. For outdoor beach, garden or Bayside Pavilion functions, additional charges may apply (i.e., labor, equipment rental, etc).

ADDITIONAL FOOD AND BEVERAGE

To ensure safety and compliance with state and local health regulations, all food and beverage must be consumed on premise and may not be packaged up for any reason. No food of any kind may be brought into the banquet and catering rooms with the exception of cakes, for which a service fee will be charged. No beverages of any kind may be brought in with the exception of champagne and wine for dinner service only. Corkage fees will apply.

BANQUET SPACE

All evening functions begin at 6:30 pm unless otherwise agreed to on the contract. Music must end prior to 12:00 midnight and the room must be vacated by 1:00 am.

Catering Prices will not be guaranteed earlier than four months (120 days) prior to the scheduled event. Prices are subject to increase without notice. All food, beverage, and audio visual equipment charges are subject to the current service charge and applicable sales tax amounts in effect at the time of your event. Meeting room rental and miscellaneous charges may also be subject to the current service charge and applicable sales tax amounts in effect at the time of your event. The service charge will be added to all prices quoted and is subject to applicable sales tax. This amount is mandatory and is not a gratuity. While a portion of the service charge is currently retained by the hotel to cover overhead and other costs, a majority is shared by the hotel's employees responsible for banquets, including managers, salespersons, kitchen staff, captains, servers, bartenders, and setup personnel.
